1.0 Framework Policies

1.1 PREAMBLE

This Policy Manual will assist in the transition of the Endurance Riders of Alberta (ERA) Board of Directors (BOD) from year to year, and will also clarify the policies and activities of the Society. This is a living document that is meant to serve as a guide for everyday operations, but is also intended to be flexible, as operational aspects and policies are expected to change over time. This document will provide statements that reflect the wishes of the ERA membership, will ensure a standard of operation for the BOD, and will guide the BOD in handling their duties to fulfill these wishes. Overall, this document will help the BOD to operate more effectively and efficiently in its effort to represent and serve the membership of the ERA.

As the mission statement is the guiding principle for the Society, it shall be reviewed as necessary to ensure that it reflect the wishes of the membership. Changes to the mission statement shall be approved at the Annual General Meeting (AGM), as this may change the future direction and growth of the Society.

1.2 MISSION STATEMENT

The ERA will strive to provide a fair and educational environment to assist members in attaining their riding goals, and will promote good horsemanship, sportsmanship, fellowship, and education through endurance riding. The ERA will also provide the membership with guidelines that allow Society programs to be run in a fair and safe manner for horse and riders alike.

The Endurance Riders of Alberta will perpetually operate according to its motto:

To Finish is to Win.

1.3 OBJECTIVES

1. Ensure the health and safety of the membership and their horses is always a priority.
2. Promote the sport of endurance riding in Alberta.
3. Foster a culture of continual education and learning in all aspects of the sport of endurance, horsemanship, and horse care.
4. Uphold the highest level of sportsmanship and respectful conduct at all levels of competition.
5. Encourage and support the development of the membership and their horses.

2.0 Board Self-Governing Policies

2.1 POLICY MAKING POLICY

POLICY

Direction and continuity in formulating policies will be provided by stating who writes and who approves policies. Guidelines will also be provided to avoid any situation where a Society member may be perceived as working for their own benefit.

PROCEDURES

Any BOD member can recommend a policy on an issue, and the BOD must approve any recommended policy. Policy recommendations must be presented to the BOD one week prior to a meeting of the BOD. New policies will be ratified by a majority vote. The outline for policy making is included in Appendix C.

2.2 GOVERNING STYLE POLICIES

POLICY

The BOD and the Society will be governed by a set of policies that guide the actions of the BOD and the operation of the Society.

PROCEDURES

Governing style policies will be reviewed and amended as necessary to comply with the wishes of the membership and to streamline BOD functions. Any BOD member can recommend a change to a governing style policy, and the BOD must approve any changes. Recommended changes must be presented to the BOD one week prior to a meeting of the BOD. Changes will be ratified by a majority vote or quorum.

2.2.1 Maintaining a Calendar of Events

POLICY

All BOD members will have access to a calendar of events that outlines important dates pertinent to their respective positions, Society events, and general operations of the Society. This calendar will be maintained and updated throughout the year.

A contact list for the new BOD will be created at the first BOD meeting after the AGM and will be provided to each BOD member.
